1) Blink Program :

```
void setup ()
    {
        pin Mode (13, OUTPUT);
    }
void loop ()
    {
        digital Write (13, HIGH);
        delay (500) ;
        digital write (13, LOW);
        delay (500);
    }
```
